Yunus Emre Alpu

Computer Engineer

\+

At Konya NEU, where I'm completing my junior year in the College of Engineering, I have learned the importance of applying classical strategies to modern-day projects. So, now, in industry, this passion remains with me. There's certainly yet more to learn, yet more problems, and yet more to build.

Subject: Letter of Intent for Employment

Dear Mrs. Lingam,

My name is Yunus Emre Alpu, and I am writing to apply for the position of Cyber Security Engineer. I am currently studying Computer Science at Necmettin Erbakan University in Konya/Turkey. Through a source I came to know that you have vacancy in your firm and are looking to hire Cyber Security Engineer. I feel it's time to embark on a new adventure. I believe I would be a great fit for your firm, as I have the necessary skills that you are looking for. Attached with this email are my CV and my college transcript so you can judge if I am capable enough. Looking forward to your response.

If you would like to discuss my qualification further, please don't hesitate to call me at (553) 698-8910. I can also be reached by email at yunus192alpu@gmail.com. Feel free to check out my social networks as well.

Sincerely,

Yunus Emre Alpu
